Fire Department Community Programs

Community CPR: Instruction provided by Gilroy Firefighters. Learn to be a Life Saver. (American Heart Association Certified)
Go to www.gilroyfirecpr.com or call (408) 846-0376

PulsePoint: Download this life saving app onto your phone. With PulsePoint, your 911 dispatch system immediately alerts CPR-trained bystanders about a nearby public Sudden Cardiac Arrest (SCA) event. It will also direct you to the closest AED.

You live in a HeartSafe Community: Gilroy has one public access “Automated External Defibrillator” (AED) per 1,000 residents, located in public buildings, businesses, and schools. Gilroy Fire is partnering with the Gilroy Unified School District to teach “Hands Only CPR” to students.

File of Life Program: The File of L.I.F.E. kit is a magnetic pouch that holds your vital medical information and is placed on your refrigerator. Call Gilroy Fire at (408) 846-0371 for more information.

Ride Along Program: The Ride-Along Program is intended for employees of the City of Gilroy seeking an understanding of Fire Department operations, students of fire academies or those in EMT/Paramedic programs, interested members of the Gilroy community and other observers with related purposes. Call (408) 846-0371 for more information.

Gilroy Fire Department EMS Bike Team: Gilroy Fire has the only Fire Department EMS certified bike team in Santa Clara County. Crews carry Advanced Life Support equipment and can maneuver through crowds to reach patients quickly and deliver quality care.
