Customer Agrees:

- To pay for the utility rates and penalties in effect, subject to change at any time, including the non-refundable set up fee of \$50 for all new and reactivating accounts. A deposit of \$75 or \$250 is required for all new customers and will be credited to the account after one year of service, or to the final bill if the account is closed prior to the one year period. (Commercial accounts paying the higher sewer base amount will pay \$250 or a higher amount determined by the Finance Department.) The deposit for multi-residential buildings is \$20 per unit. This contract shall take effect on the date signed and rates shall be charged from the date services are provided. This contract is subject to all provisions of the Gilroy Municipal Code Section 27.3. Billing is calculated at the beginning of each month and all bills are due upon receipt. A 10% late penalty is charged on all balances left unpaid on the last business day of the month.
- That failure to receive utility billings will not be recognized as a valid excuse for failure to pay utility billings when due. The City's Finance Department must be notified of any change in occupancy or any change in mailing address. **Customer acknowledges that customer will be responsible for all utility charges until Customer notifies the City in writing at least one business day in advance that the customer desires to stop services.**
- That City reserves the right at any time to shut off the water supply because of repairs, extensions, nonpayment of rates or any other reason, and City shall not be responsible for any damage resulting from the shutting off of water.
- That it is unlawful for any person to open any street hydrant or stopcock, gate, valve or to meddle with any street service, water connection or any water meter connected to any service pipe connected with the water mains or water pipes of the city, or to turn on or off, water mains or water pipes of the city, or to tap, break or injure any water mains or water pipes of the city, laid in any street, avenue or alley, or other public place, or any reservoir of the city, or to tap any water service pipe between the point of connection with the main and the meter, or to take or draw water from the mains, pipes or hydrants of the city, without paying the established rates therefor, or in any way to trespass upon the public property of the department of public works without permission first being obtained from the director of public works. (Ord. No. 479, § 3)
