Bicycle Pedestrian Commission

Strategic Plan 2019

Table of Contents

Invitation to the Public  2
Goals  3-4
Grants/Programs  5-7
Bicycle/Pedestrian Projects  8-9
The Bicycle Pedestrian Commission is inviting the public to attend our monthly meetings where we are actively embracing and advancing ideas and projects that promote the concept of free-range people in the City of Gilroy.

On the 4th Tuesday of each month. Located at the City Council Chambers 6:00pm. You can see our current agenda and minutes on the City of Gilroy website under Commissions and Committees.

We are seeking your input whether you are a BMX rider, trail runner, recreational bike rider, MTB rider, walker, and hiker!

Commissioner-Zachary Hilton, Chair
Commissioner-Sean Reedy, Vice-Chair
Commissioner-Chad Reeder
Commissioner-Patrick Flautt
Commissioner-Lionel Gonzalez
2019 Goals  UPDATED 03/26/2019

City Council 2018 Strategic Goals:
#1 Economic Development "Focus on revenue driving economic development"
#2 Downtown Revitalization "Revitalize downtown including incentives"
#3 Public Safety "Enhance public safety capabilities"
#4 Customer Service "Become more customer friendly"
#5 Fiscal Stability "Prepare for financial stability/sustainability"

#1 #1 Safe Routes to School Coordinator Position-- support use of Measure B Bicycle and Pedestrian Education and Encouragement funds to create a staff position to lead the Gilroy SRTS Task Force in carrying out the Gilroy SRTS Action Plan and to support staff in growing and sustaining active transportation education, encouragement, evaluation, engineering, enforcement, and funding activities. City Council Strategic Plan Goal #1, #2, #3, #4, #5

#2 BMX Dirt Pump Track at Christmas Hill Park, work with Garlic City BMX Non-Profit or any organization, Gilroy Sports Park & Parks Master Plans to include BMX dirt track. City Council Strategic Plan Goal #1, #2, #3, #4, #5

#3 Vehicle back in angle parking pilot for Downtown Gilroy on Eigleberry, and help with public outreach. [https://www.youtube.com/watch?v=HddkCBSWHlk](https://www.youtube.com/watch?v=HddkCBSWHlk)
City Council Strategic Plan Goal #2, #3, #4

Advocate and pursue all means of alternative and active transportation for Gilroy, CA while taking a leadership role in Santa Clara County. With the City Council continued support of tourism in Gilroy, an e-bike/e-scooter share program will enhance that goal. Participate and plan open streets events in Gilroy. Develop relationships with car share programs that have bike racks.

Building a Downtown network that encourages biking and walking, encourage bicycle parking at all public events
Complete Streets policy added to General Plan 2040 during GPAC

Design and build of a Bicycle Pedestrian Bridge from Hecker Pass Trail at Burchell Rd to Gilroy Gardens

Support the building of a 2nd Paseo Walkway, Conversion of Gourmet Alley St from 4th-5th into a Bicycle-Pedestrian Facility while enhancing it into a destination for food/shopping

Bike to Work Day/Bike to School Day continue to promote in May Annually, Energizer Station at Gilroy Train Station

Update Gilroy Trails Master Plan, Bicycle Pedestrian Transportation Plan, Parks Master Plan,

Work closer with the Parks and Recreation Department. Promote more trails and trail running at Christmas Hill Park. Promote a trail building day. Outreach to people walking/biking to city parks and include material for Spanish speaking residents for outreach.

Work with any organization or group that hosts a bicycle or pedestrian event in Gilroy.

Be the conduit for community concerns about bicycle and pedestrian facilities. Work with Public Works and City Engineering in addressing concerns. Address the safety issues at the Orchard/10th Street crossing by Gilroy High School and figuring out a solution to make it safer.

Get Gilroy ranked in Walk Friendly Communities [http://walkfriendly.org]

Santa Clara County Healthy Cities Program: Endorse NACTO Street Design Guidelines, SRTS Joint GUSD/City of Gilroy Resolution, Incentives for Walking and/or Biking, Access to Water Policy, Smoke Free Parks, Trails, and Recreation Areas, Healthy Language in General Plan, Multi-Disciplinary SRTS Collaborative/Task Force, Dedicated SRTS and/or Bike/Ped Coordinator
GRANTS/PROGRAMS

Santa Clara County Water District Access to Trails Grants-
We have contacted the SCC Water District grants program
https://www.valleywater.org/learning-center/grants-partnerships

Transportation Fund for Clean Air-

VERBS-
http://www.vta.org/projects-and-programs/call-for-projects The Metropolitan Transportation Commission (MTC) created a funding program Climate Initiative Safe Routes to School Program that focuses on reducing greenhouse gases (GHG) by promoting walking, biking, transit, and carpooling to school.

Bay Area Air Quality Management District/Bicycle Rack Voucher Program-
Here’s the http://www.baaqmd.gov/bikeways for BRVP. Signed up to receive notice for next fiscal cycle.

Bicycle Expenditure Program

Specialized Foundation Riding for Focus Grant
Applications due March of each year.

Metropolitan Transportation Commission (MTC)

Bike Share Capital Project

People For Bikes
http://www.peopleforbikes.org/pages/grant-guidelines?mc_cid=bd8953fdf1&mc_eid=be6c7a1944
Bicycle Infrastructure Projects. Calls for projects June and December.

Active Transportation Program
http://www.dot.ca.gov/hq/LocalPrograms/atp/
The purpose of the Caltrans ATP is to encourage increased use of active modes of transportation.
America Walks Community Change Micro Grants
Improving the public sphere for walking or otherwise helping to make walking more commonplace. This program awards up to $1,500 to fund or help to catalyze smaller-scale, low-cost projects and programs that increase the prevalence of walking, expand the diversity of people and organizations working to advance walkability, and help to make walking safer, easier, and more fun for all community members.

Urban Greening Grant Program
http://resources.ca.gov/grants/urban-greening/
Funds community-based green infrastructure projects, including bike and pedestrian paths. Opens January 26, 2019

Caltrans Transportation Planning Grant Program
http://www.dot.ca.gov/hq/tpp/grants.html September 2018 Call for projects/November 2018 Grant Deadline

• **Sustainable Communities Grants ($29.5 million)** to encourage local and regional planning that furthers state goals, including, but not limited to, the goals and best practices cited in the Regional Transportation Plan Guidelines adopted by the California Transportation Commission.

• **Strategic Partnerships Grants ($4.3 million)** to identify and address statewide, interregional, or regional transportation deficiencies on the State highway system in partnership with Caltrans. New for FY 2018-19 is a transit component that will fund planning projects that address multimodal transportation deficiencies with a focus on transit.

• **Adaptation Planning Grants ($7 million)** to support planning actions at local and regional levels that advance climate change efforts on the transportation system.

Department of Transportation (DOT BUILD Grant)
https://www.transportation.gov/BUILDgrants July 19 2018
BUILD Transportation grants replace the pre-existing Transportation Investment Generating Economic Recovery (TIGER) grant program. As the Administration looks to enhance America’s infrastructure, FY 2018 BUILD Transportation grants are for investments in surface transportation infrastructure and are to be awarded on a competitive basis for projects that will have a significant local or regional impact. BUILD funding can support roads, bridges, transit, rail, ports or intermodal transportation.

Safe Routes to Parks
https://www.saferoutespartnership.org/healthy-communities/saferroutestoparks
The Safe Routes to Parks Activating Communities program builds on the Safe Routes to Parks Action Framework and Safe Routes to Parks Pilot Site program, developed in collaboration with the National Recreation and Parks Association.

**Doppelt Family Trail Development Fund**

The Doppelt Family Trail Development Fund, launched in 2015, is managed by RTC and provides funding to support organizations and municipalities that are implementing projects to build and improve multi-use trails. In 2019, RTC will award $105,000 of the Doppelt Fund to organizations and local agencies that are working to improve and connect trails across the country.

**Priority Conservation Areas (PCA) Grant Program**
https://abag.ca.gov/priority/conservation/index.html Call for projects due Feb 2019

The State Coastal Conservancy (SCC), in cooperation with the Metropolitan Transportation Commission (MTC) and Association of Bay Area Governments (ABAG), is pleased to issue a call for proposals focused on the Bay Area’s Priority Conservation Areas designated under Plan Bay Area 2040

**California River Parkways Grant**
http://resources.ca.gov/grants/california-river-parkways/

The California Natural Resources Agency (Agency) will be accepting concept proposals for the California River Parkways grant program August 15, 2018 through September 27, 2018. Awards for River Parkways projects in the approximate amount of $7.0 million will be funded by Proposition 68 for purposes of the California River Parkways Act of 2004.
City of Gilroy Bicycle Pedestrian Projects
