City and GUSD Awarded \$300,000 Grant for Safe Route to Schools

The City of Gilroy and Gilroy Unified School District has been selected to receive a \$301,500 grant from Caltrans for its Safe Routes to School proposal for Education and Enforcement. GUSD will develop and implement an Education and Encouragement Program and an adult crossing guard training and recruitment program. Gilroy Police Department will develop a School Zone Traffic Enforcement Program and purchase and circulate two mobile radar speed feedback trailers.

This is the second Safe Route to School grant that has been received and implementation of these programs will produce a safer and healthier environment for the students.
