Community Forum to Discuss Crime Activity

In light of the shootings which occurred this week, and recent rise in gang-related activity, Mayor Al Pinheiro has requested a community forum to address questions regarding the current incidents and other concerns from members of the public and neighborhood.

The public is encouraged to attend this forum which will be held Thursday, November 20th, from 7:30 p.m. to 9:00 p.m. at the Gilroy Senior Center, 7371 Hanna Street (located at the corner of Sixth and Hanna Streets). The mayor and City officials will provide an update on the current situation, and address how the Police Department is working to resolve these situations and deal with long-term gang activities.

The City hopes that the forum will serve as a central point of communication and begin an on going effort to bring neighborhoods together to address these common problems.
