## **Mayor's Community Roundtable**

Gilroy Mayor Al Pinheiro will be hosting a Community Roundtable on Wednesday, September 23, 2009, from 2:00 p.m. to 7:00 p.m. at the Gilroy Senior Center, 7371 Hanna Street. The goal in hosting the Roundtable is to gain valuable input from a diverse group of community leaders regarding several important issues facing the City of Gilroy.

The public is invited, and twenty one community leaders, organization representatives and board members have been invited to participate in the discussion panel. In addition, four at-large community members are being sought to round out the panel. Individuals interested in participating on the panel should e-mail Mayor Pinheiro at [al.pinheiro@ci.gilroy.ca.us](mailto:al.pinheiro@ci.gilroy.ca.us). Four names will be randomly selected from this pool to complete the panel.

The issues facing Gilroy are important and the Roundtable will provide the ability to discuss them in detail, hear the varied opinions of fellow community members from the vantage point of their respective organizations and assist the city in formulating its strategic directions in providing service to the community.
