Silicon Valley Reads 2019

Silicon Valley Reads is a collaborative, county-wide program designed to engage entire communities in conversation around a single theme. The journey of discovery about one's own family history and heritage is the focus of Silicon Valley Reads 2019.

Finding Samuel Lowe by Paula Madison, *It's All Relative* by A.J. Jacobs, and *The Stranger in my Genes* by Bill Griffeth are the selected titles and featured authors.

Madison is a nationally honored journalist and retired NBC executive. In her book *Finding Samuel Lowe*, she describes growing up in Harlem and feeling that her family was somehow different from the African-American families around her. Her quest to learn more about her mother's roots in Jamaica leads to the discovery of a Chinese grandfather and eventually reconnection with 300 long-lost relatives in China.

Jacobs is a best-selling author and immersion journalist who chronicles his three-year adventure to help build the biggest family tree in history, starting with his own 80,000+ "cousins" identified in a genealogy database.

Griffeth is the co-anchor of "Nightly Business Report" produced by CNBC and writes about how he was shaken to the core when he discovered through a DNA test that the family tree he had spent years researching was not his own.

Morgan Hill Library Expands Hours Starting December

Responding to community requests to be open on weekends, Morgan Hill Library will be expanding their hours from 51 to 55 hours per week including Sunday hours. Effective the week of Monday, December 3, Morgan Hill Library will be opening at 12 pm Monday through Wednesday and will offer Sunday hours for the first time, from 1 to 5 pm.

SCCLD has initiated these changes in response to a customer satisfaction survey on library hours. The additional open hours of service reflect the preferences expressed by the Morgan Hill community and will provide residents more opportunities to visit the library and access services at times that are convenient to them.

Morgan Hill Library will celebrate the additional hours of service with a special performance by Germar the magician on Sunday, December 9 at 2 pm. We hope you will be able to join us.

Morgan Hill Library * New Hours Celebration *

Sunday, December 9th: 1 – 5 pm

- Starting December 9th we will be open every Sunday 1–5 pm
- Join us for a special event to celebrate Morgan Hill Library's expanded hours!
- Germar The Magician (pictured) will be performing a family magic show at 2pm
- Find yourself a good book at the Friends of the Library Book Sale
- Free and open to the public
- All ages are welcome

SCCLD Provides Student Support Across the Library District

SCCLD is helping local students excel in school through a combined effort with school districts to offer every student a digital library card, or “eAccount.” The eAccounts provide students with access from home, school, or anywhere with an internet connection to resources for studying, research, reports, homework help, test preparation, and of course, relaxing.

During the last fiscal year, over 20,000 student eAccounts were created for Campbell Union, Saratoga

Union, Saratoga High and Milpitas Unified (K-12) school districts. Since then, SCCLD has added Cupertino Union, Gilroy Unified and Morgan Hill Unified, as well as an update for Saratoga Union School District. In the next two months, SCCLD will add Los Altos School District (K-8).

The student eAccounts provide anytime access to the online library for 8 out of the 13 school districts we serve, with more coming soon!

Joint Powers Authority Board Meeting Update

The October JPA Library Board meeting was bittersweet as it was the last meeting for three of our longest serving representatives: Burton Craig, Monte Sereno; Emily Lo, Saratoga; and Steve Tate, Morgan Hill. Each of the three is leaving their respective city councils and hence the JPA Board. Steve Tate has served on the library's JPA for over 20 years and chaired two of our special tax campaigns.

At the meeting, the JPA accepted the end of year financial and service reports, re-elected Supervisor Wasserman and Council member Corrigan as Chair and Vice Chair for 2019, and approved the addition of \$1.9 million annualized for additional staff at Campbell, Gilroy, Morgan Hill, and Saratoga for the purpose of offering more open hours to the public. The intent is to allow Campbell and Gilroy to open 1-5 pm on Sundays in early 2019. In April, the JPA had asked that SCCLD open all locations on Sundays if possible and given increased revenue, we believe that we will be able to do so for a minimum of two years. Due to the funding formula in the JPA agreement, every library will receive an increase in revenue that must be used for staffing. Specific plans and schedules will be developed to determine how the incremental funds will be used to support each location.

SCCLD Nancy Howe Receives Intellectual Freedom Award

The California Library Association is honoring SCCLD County Librarian Nancy Howe at its annual [awards gala](#) on Saturday, November 10. Howe is receiving the Zoia Horn Award for Intellectual Freedom, which goes to individuals who have made significant contributions to advance intellectual freedom and help preserve free speech in an open society.

In 2017, when the grant qualification changed requiring English as a Second Language (ESL) participants to provide social security information, Howe declined to renew the grant and enforce the requirement, concerned about the effect on an already vulnerable population. Upon learning of the loss of funding and recognizing the importance of ESL programs, the Santa Clara County Executive and Board of Supervisors stepped in to provide funding through the year 2020. The Library was able to offer the free classes without interruption in addition to informal conversation clubs and individual reading tutors at every SCCLD library.

Coming Soon: Early Learning Readiness in Morgan Hill

Currently, Santa Clara County has a shortage of 1,400 spots in critical early learning programs. Whether a child is Kindergarten ready can have an affect if they are more or less likely to graduate from high school and go on to college.

SCCLD is partnering with YMCA to offer an Early Learning Readiness (ELR) program in the Morgan Hill Library to help children develop the social, emotional and literacy skills they need to be prepared for Kindergarten. ELR is a relationship and play based program for informal caregivers caring for young children ages 0-5. The program provides caregivers and children experiences and knowledge necessary to ensure children are prepared for Kindergarten. The Early Learning Readiness program will be available soon at the Morgan Hill Library.

WHAT: Early Learning Readiness Program

WHERE: Morgan Hill Library

WHEN: Tue/Thur from 9-11am

Opening in Nov/Dec (date TBD)

WHO: SCCLD and YMCA

DETAILS:

- 20 spots for child participants (space is still available)
- Interested families should contact the YMCA
- Intake process for participant evaluation is conducted by the YMCA
- Free- no cost to the participant
- This is not a drop in program. Interested families must register and be admitted as a participant.

E-CARDS FOR GILROY UNIFIED SCHOOL DISTRICT STUDENTS

Just as it has for other library regions, the Santa Clara County Library District created 10,865 e-cards for students in the Gilroy Unified School District to give them the ability to check out materials but also to use online databases and other resources from home or school. The Library encourages students who do not have regular library cards to apply for them since the e-cards will eventually expire.

HISPANIC HERITAGE MONTH September 15 – October 15, 2018!

National Hispanic Heritage Month, September 15th to October 15th, recognizes the contributions of Hispanic and Latino Americans to their culture and history. During this time, there have been a number of special family programs and exhibitions at the Gilroy Library celebrating Hispanic heritage including a cultural festival, films, arts & crafts, and a concert by Jose Luis Orozco, a beloved bi-lingual educator, recording artist and children's author. In October, an ofrenda was erected on site, and participants decorated sugar skulls. Kudos to Librarians Elizabeth Munoz Rosas, Marissa Jacobo and Sharon Kelly for their work promoting this special cultural celebration system-wide.

MORE PROGRAMS for CHILDREN

Children’s librarians Sharon Kelly, Marissa Jacobo and Elizabeth Munoz-Rosas presented 21 library preschool programs to 807 young children and their families including storytimes, *Rhythm, Rattle & Rock*, *Pajama Jamboree Storytimes* and *Craft* events in English and Spanish.

A Baby Bounce program with Elizabeth Munoz-Rosas is a story time program for infants and their caregivers. This story time focuses on pre-literacy via traditional nursery rhymes, lap bounces, body rhymes, and simple picture books.

In addition, 15 school age programs drew nearly 741 children including several field trips to the library by Glen View and Rod Kelley schools.

At school harvest festivals, pop up libraries at the middle schools and other events, the library staff has successfully encouraged Gilroy students & their families to read.

T-Rex reads the book, *ROAR*, to children

Students at Solorsano Middle School Check Us Out

Pop Up libraries at Brownell & Solorsano middle schools

It appears that the student e-card is softening student reluctance to borrow books. Many students use their 30-minute lunch breaks to visit the Pop Up Library at their school to check us out!

MORE PROGRAMS for TEENS

Teen Librarian Kelly McKean has built a flourishing teen program at the Gilroy Library. She oversees the teen volunteer program that generates 250-350 service hours per month. During October 22 teen programs took place.

Kelly has established a 14-member Teen Advisory Board that has chosen as their main project, homework help for other students.

Kelly and Adult Librarian Lisa Duff have continued to do “prep” work on their grant to design a Gilroy Library makerspace.

The *Teen LGBTQ Safe Space* group meets twice monthly. The size of the group has steadily grown as more youth learn about the gatherings.

Through *Media Maker Mondays for Teens*, CMAP (Community Media Access Partnership) provides classes to explore Adobe Creative Cloud. Teens, 11-18, learn how to make photo mashups with Photoshop or how to edit a video with Premiere. That is just the beginning of what you can do with Creative Cloud!

Teen Gaming on Fridays is a drop-in for teens to gather and compete for fun with games such as *Mario Kart* and *Just Dance*.

LEGO EV3 ROBOTS for grades 6-8 is an entertaining way to learn to build and activate robots.

Girls Who Code is a free club for 6th-12th grade girls to explore coding. The club is a group of supportive peers where teens build teamwork and leadership skills as well as learn to use computer science to solve problems relevant to the club and the community. The club was organized by a high school student.

A Teen Craft program for Halloween was *Coffin Craft*.

Hotel Transylvania 3 was an animated film shown for the enjoyment of the family

SPECIAL SERVICES, PROJECTS & GRANTS

FRIENDS OF THE GILROY LIBRARY

The Friends board has been exploring ways to involve more people in their activities. Members of the group have been supporting the library staff at outreach events such as the Gilroy Business Expo. The regular booksale takes place the 2nd Saturday of each month. The book store is open weekly on Monday and Tuesday afternoons and Friday mornings. The Friends recently helped the library apply for a community grant from Best Buy for \$7000. Read the details below.

GILROY READS, a partnership with GILROY GARDENS

Gilroy residents can earn free admission to Gilroy Gardens by using the Gilroy Library. Check out at least one item on 5 different days and save your receipts. Present your receipts, proof of Gilroy residence and your library card at the gate, and you are admitted for free!

ESL/LITERACY

The Library's Reading Program has helped many adults in South County achieve literacy since 1985. The program is an opportunity for community volunteers to use their skills to empower others.

The ESL (English as a Second Language) class, with Megan Pedersen, encourages her eager learners to improve their language skills!

Adult Services librarian Lisa Duff leads the Conversation Club discussions so students can practice vocabulary used for everyday skills such as completing forms. The Conversation Club meets weekly and welcomes anyone who wants to practice his or her English language skills.

REPURPOSING THE GILROY LIBRARY'S LOBBY

Remodeling of the Library Lobby will start soon. The Protective Services Officer's desk will be located in the Lobby along with a browsing collection of popular items. The Lobby will be repurposed to make better use of its space and to create a more welcoming environment for the enjoyment of the community. New security gates will soon be installed at both the north and south entrances to secure the browsing collection. A self-check machine will also be located in the Lobby so that patrons can check out materials from the browsing collection of popular items.

REMODELING THE LIBRARY COURTYARD

The City Council has approved \$160,000 from the Library Construction Bond funds to renovate the Gilroy Library Courtyard. The Santa Clara County Library District is also contributing \$200,000 towards the project. The space will become more open, usable and inviting for our patrons especially families. Stay tuned for details and for work to begin in the near future.

BEST BUY FOUNDATION COMMUNITY GRANT

The Gilroy Library has received a community grant from Best Buy Foundation. The grant was submitted on the library's behalf by the Friends of the Gilroy Library and was written by Teen Librarian Kelly McKean. The grant called *Learn, Make, Do: Teen Tech Program* is for \$7,000. Best Buy says: "Our goal is to provide underserved teens with access to innovative technologies and help them become interested and fluent in digital learning while developing skills to help better prepare them for future education and career success." More details will follow.

RISE UP GRANT: A PROGRAM FOR AT-RISK YOUTH

The Rise Up grant seeks to curb violence and at-risk behaviors by providing educational opportunities for at-risk Gilroy youth and their families. The \$48,000 grant is a *Pitch-An-Idea Local Grant* through the California State Library funded by LSTA (Library Services and Technology) dollars. Data shows that Gilroy in particular ranked first in the County for juvenile arrests and citations and also has a high annual school expulsion and suspension rate. In response to efforts by the South County Youth Task Force (SCYTF), including the Santa Clara County District Attorney's Office, to counteract local gang violence, Rise Up is currently offering parent workshops to help parents support their at-risk kids. Starting soon, Rise Up will provide special programming to engage youth with meaningful information and activities. Focus groups are being conducted with youth to learn what may be of interest to them. In the Spring, a 2-day Restorative Justice training program involving 25 community and neighborhood leaders will seek to build a network of support and care and break the cycle of injustice and violence. The program will run from now through Spring 2019. Currently library staff is gathering information from a variety of stakeholders to assist us in planning the programs.

MAKER SPACE GRANT

The Gilroy Library received one of ten awards for a grant entitled: *Developing Maker Spaces in Under-Resourced Libraries Throughout California*. Funding comes from the Center for Childhood Creativity at the Bay Area Discovery Museum (Sausalito) and the California State Library. Librarians Kelly McKean and Lisa Duff have gathered information to design a Maker Space in the Library by conducting focus groups with various community stakeholders. Phase I runs through September for staff training and the community needs assessment. Phase II involves implementation of the project. Planning continues.
