Details

On 2/07/2011, Gilroy Police Officers responded to a report of an man exposing himself in the 1100 block of Driftwood. The reporting party stated she received a complaint from a victim who saw the man exposing himself in front of a window at a residence. During the incidents the window was open with the screen removed and the male could be clearly seen nude with his genitalia exposed.

During the investigation Police determined the exposure was not accidental and in fact the male, identified as Martin Kemmeries, took extra measures to ensure the victims were able to see him exposed as he stood in front of the unobstructed window.

Multiple victims came forward and it appears there have been numerous occasions over the previous month where Kemmeries continually exposed himself to passersby and residents in the area. A victim provided the Gilroy Police Department with a video showing Kemmeries exposing himself to people who were outside.

Kemmeries was arrested and transported to the Santa Clara County Jail for the charge of 314.1 PC - Indecent Exposure with a Prior Conviction and 3056 PC- Parole Hold.

The investigation remains ongoing and encourages any possible victims to contact the Gilroy Police Department if they have further information or have been a victim of this crime.
