**TYPE OF CRIME:** Shooting at an inhabited dwelling  
**CASE NUMBER:** 11-1177  
**LOCATION:** 800 Blk. Monticelli Dr.  
**DATE:** 03/10/11 **TIME:** 2007  
**VICTIM:** Withheld

**Details**

On March 10, 2011 residents in the 800 block of Monticelli Drive saw suspicious vehicles and pedestrians in the area. They brought this to the attention of family members who were inside the home. When the suspicious parties saw the family acknowledge their presence, they left the area.

After a period of time, one of the victims saw some more pedestrians that are unknown to the neighborhood. Just as the victim went inside to again warn family members, shots were fired into the home. Nobody was struck or injured as a result of the gunfire.

The police were being called at the exact moment the shooting took place. The suspects fled and officers arrived very soon afterward.

The victims believe this shooting is connected to the attempted murder that occurred on March 9<sup>th</sup> on Lewis Street. This family is not connected to that event and there is no evidence to suggest otherwise.

The Anti-Crime Team heard the emergency call and responded to the scene as well. The Anti-Crime Team is familiar with parties involved in both events and is actively pursuing information they have developed over the last 24 hours.

At this time this event is being investigated as a gang related crime. Anyone with information regarding this case is urged to contact Investigator Douglas Remmick at (408) 846-0350. Parties wishing to remain anonymous may call the We-tip line at (800) 782-7463.
