FY24 Annual Pavement Rehabilitation Project

Project 24-PW-288

Addendum No. 1

TO: Whom it may concern

DATE: 03/13/2024

FROM: Julie Oates, Engineer II

All prospective parties are hereby notified that modifications and/or changes are to be made to the original Invitation-for-Bids (IFB) for the project referenced above. This Addendum shall be considered part of the bid documents for the above-referenced project as though it had been issued at the same time and shall be incorporated integrally therewith. Where provisions of the following supplementary data differ from those of the original bid documents, this Addendum shall govern and take precedence.

Receipt of **all Addendums** must be acknowledged in the space provided on the Bid Form (00300). Initials indicate acknowledgement of receipt of Addendum No. 1 and that said Addendum was properly evaluated in bidder's proposal. Any proposal not in compliance with this requirement may be rejected.

RESPONSES TO QUESTIONS

1. **Q:** What is the Engineer's Estimate for the upcoming FY24 Paving project?
A: The Engineer's Estimate will be posted on the City's website with the bid tabulation and the Notice of Intent to Award.
2. **Q:** For estimating the size of the bid bond needed, can an approximate Engineer's Estimate be provided, such as "Under \$200K", "Around \$1M", or "Between \$1M and \$1.5M"?
A: A range of \$3M to \$4M may be used for bonding purposes.
3. **Q:** The project specifications file on the Builder's Exchange seems to be corrupted, where else can the project specifications be downloaded?
A: Plans and Specifications for the FY24 Citywide Pavement Rehabilitation Project are available for download on the City's website (Bid Opportunities Page).
4. **Q:** Will the City allow for night work? If so, which streets are subject to night work?
A: Night work information is in Section 01500-7.5 of the specifications.
5. **Q:** What is the pavement section on Thomas Rd?
A: The pavement section for Bid Alt 2 (Thomas Rd Roadway Widening) is approximately 4,500 SF of 9" Type A HMA over 21" Class 2 AB.

CHANGES TO SPECIFICATIONS

See attached Appendix D which has been revised to include the last column, "Limit Line Details (EA)" as described in the note on plan sheet PD-3.
