SUBJECT: Emergency Service and Maintenance for **Streetlights** and **Traffic Signals**

This is an updated contact list for streetlight and traffic signal emergency services and maintenance. Gilroy is served by three different electrical services groups. Please read this list and become aware of whom to call should an emergency arise.

For all emergency issues, please contact the proper group. Examples of emergency issues requiring immediate response include but are not limited to the following:

- Traffic signal outage not related to a general City power outage
- Traffic signal knockdowns
- Flashing red or burned out red lights
- Turned or misaligned traffic signal heads and poles
- Streetlight knockdown
- Multiple streetlight outages or power outage

For routine maintenance items, please contact Public Works at 408-846-0451.
