DESCRIPTION
7a. Architectural style: Moderne
7b. Briefly describe the present physical appearance of the site or structure and describe any major alterations from its original condition:
   A two story structure of basic rectangular form constructed of reinforced concrete and sheathed in finished stucco with recessed vertical panels. The roof is a multi-plainer. Fenestration is a regular pattern of vertical forms. The main entrance is recessed. A purgolua (c.1980) surrounds the structure and extends the entry. Unfortunately, this minimizes the monumental impact of this structure.
