Types of Documents that Can NOT be Notarized:

While notaries are able to notarize a wide variety of document types, the following are services a notary can **NOT** provide:

- Notarize photographs, wills, mortgages or I-9 forms
- Certify copies of birth, marriage, divorce or death certificates
- Notarize incomplete documents
- Provide witnesses

Helpful Tips for your Notarization

All Parties having their Signatures Notarized Must be Present - All signers must be present.

Bring Identification - Each signer must have a valid form of identification.

Know Your Notarization - Know what type of notarization you need. Notaries are unable to advise you as to the type of notarization you will need.
